LAMB COLOSTRUM FEED

The UK's No. 1 SELLING PREMIUM BRAND

A complementary feeding stuff formulated to provide an additional source of colostrum for orphan lambs and those that have received insufficient or no colostrum from their mothers.

Mixing Instructions:

Mix the contents of one sachet with 120ml of warm water to produce 150ml of colostrum feed.

Feeding:

Feed 150ml of colostrum feed per lamb as soon as possible after birth. Reconstituted colostrum feed can be stored for up to 24 hours in a well sealed container [e.g. thermos flask]. Shake well before re-using.

Manufactured by:
FARMSENSE Ltd.
